Battery operated electric wire hoist for lifting and pulling 24 V

Product information

The 24 V battery-powered electric wire rope hoist provides an efficient and portable solution for lifting and pulling applications where mains power is not available. Its lightweight and compact design makes it ideal for construction sites, maintenance work, installation tasks, and other mobile applications. Infinitely variable speed control enables precise operation, while the two rechargeable batteries and mains charger included ensure efficient working.

Especially suitable for

- Construction and installation work
- Service and maintenance tasks
- Worksites without access to mains power
- Lifting and pulling applications in various working environments

Product features

- Effective wire rope length: 3.4 m
- Hoisting speed: 2.5 m/min
- Charging time: 2 h
- Suitable for both lifting and pulling applications
- Lightweight and easy to carry
- Infinitely variable speed control for precise operation
- Equipped with a swivel hook
- Overload indicator enhances operational safety
- Supplied with two 24 V NiMH batteries and a mains charger

SPARE PARTS

Spare part (product code)	Description	Suitable for hoist (product code)
VANOSVAI4,6	Wire rope 4,6 m | ø 5,8 mm, effective working length 3,4 m | Incl. drum	VANOS450A
VANOSAHIILI	Coal | Note! 2 pcs/hoist	VANOS450A
VANOSLATURI	Charger | Part no. 51	VANOS450A
VANOSAKKU	Battery | Part no. 27	VANOS450A
VANOSYKOU	Top swivel hook, incl. fasteners | Part no. 36	VANOS450A
VANOSAKOU	Bottom hook, incl. fasteners | Part no. 11	VANOS450A
VANOSVO9	Wire rope hole guiding plate | Part no. 9	VANOS450A
